MYSORE GEOLOGICAL DEPARTMENT

D O No. 94385

Bangalore 22nd Novr 1943

Dear Mr Pallegar,

With reference to your enquiry by phone on Saturday evening if the Mining Leases granted by Government cannot be signed, on behalf of the Government, by the Secretary concerned, I desire to say that Rule 47 (Revised and Consolidated Rules for the Grant of Prospecting Licenses and Mining Leases in the State) states that "the applicant's title to the land applied for shall not be complete until the lease has been actually executed by the Dewan

Form No 8 relating to Mining Leases mentions explicitly the 'Dewan of Mysore acting for and on behalf of the lessors'(Government), and as such I think the Mining Leases will have to be got signed by the Dewan This has been the procedure till now, and all the previous mining leases including those relating to the Kolar Gold Fields, had invariably been signed by the Dewans

In British India, however, the mining leases are being signed by the Collectors of the District, acting for and on behalf of the Governor-General, as there is a provision for the same In Mysore, as it stands now, since there is no such provision, the Mining Lease will have to be signed by the Dewan himself If desired, necessary amendments may be effected to the existing rules making provision for the Director of Geology or

(p t o)

or the Secretary to the Government for the Geological Department, to sign for and on behalf of Government

Yours sincerely,

H N Pallegar, Esq , L A , LL B ,
Assistant Secretary to Government,
